JOHN McNeil, grand president and organizer of the Brotherhood of Boilermakers and Iron Shipbuilders of America, in a statement last Saturday, said that the strike of the boilermakers on the Union Pacific inaugurated June 19, 1902, has been settled, the men being granted a substantial increase, and other questions arranged satisfactory to both parties. All the men now out are to return to work. The men struck for an increase in wages and the establishment of shop rules.

AT Greenport, N. Y., on the 19th inst. the Holland submarine torpedo boats Plunger and Shark had their official government trials on Peconic bay. They covered a two-mile course, each firing a torpedo at the end of the distance. The Plunger exceeded the government requirements in speed, and fired the torpedo with absolute accuracy between two flag buoys, the space representing a battleship. Owing to an accident, the Shark's speed fell slightly below that over the arrival of a son and heir. required, but her torpedo was fired as correctly as that of the Plunger.
